

SPECIAL GARMENT EVENT

Special selling and bringing to view of Dame Fashion's very choicest creations—an unfolding, an unpacking and the first real special sale of the Spring. Such Suits, Waists, Coats, Skirts! It will be easy to tell where the fashion center of this vicinity is. Our efforts and thoughts have been to make it the leading style event of the present year.

Handsomely tailored Suits, Silk Shirt Waist Suits and Walking Skirts of the latest materials—creations that show the influence of Parisian models—in fact every garment we exhibit possesses an individual style that brings to mind the high priced tailor.

We must mention our new Silk Coats—dainty, distinctive affairs—neat, dressy and comfortable. You should let us show you these. And such an assemblage of Waists—varied, rich and beautiful—some of embroidered linen, lawns, lace and Hamburg daintily trimmed—the comfortable and durable Japanese wash silks and many other kinds.

Remember this is the first real special sale of the Spring. COME.
